

# Payment and Delivery

Payment terms and methods **OUTSIDE the Republic of Serbia**

Payment methods via our online shop:

## *1. Card Payment*

You may pay for your online order using your VISA, EC/MC or Maestro card. You need to select payment method via Visa, Master or Maestro card and then you will be directed to 3D Secure bank page where you need to enter your data and follow further instructions.

## *2. Bank transfer*

**T/T payment:** You have to transfer the money to the given account number in advance after receiving the confirmation of your order. You will receive the confirmation in e-mail.

**VERY IMPORTANT:** please insert the number of the order (order number) into the notice column when you fill the form of T/T so that we will be able to know which order belongs to the payment. After receiving the money we will send out the goods within the following 2 working days. Delivery date depends on the destination but should not take more than 7 days after registration.

Bank account data for payment through your bank account:
